Hospital Finances Brighten

Board In Deadlock On Doctors' Request

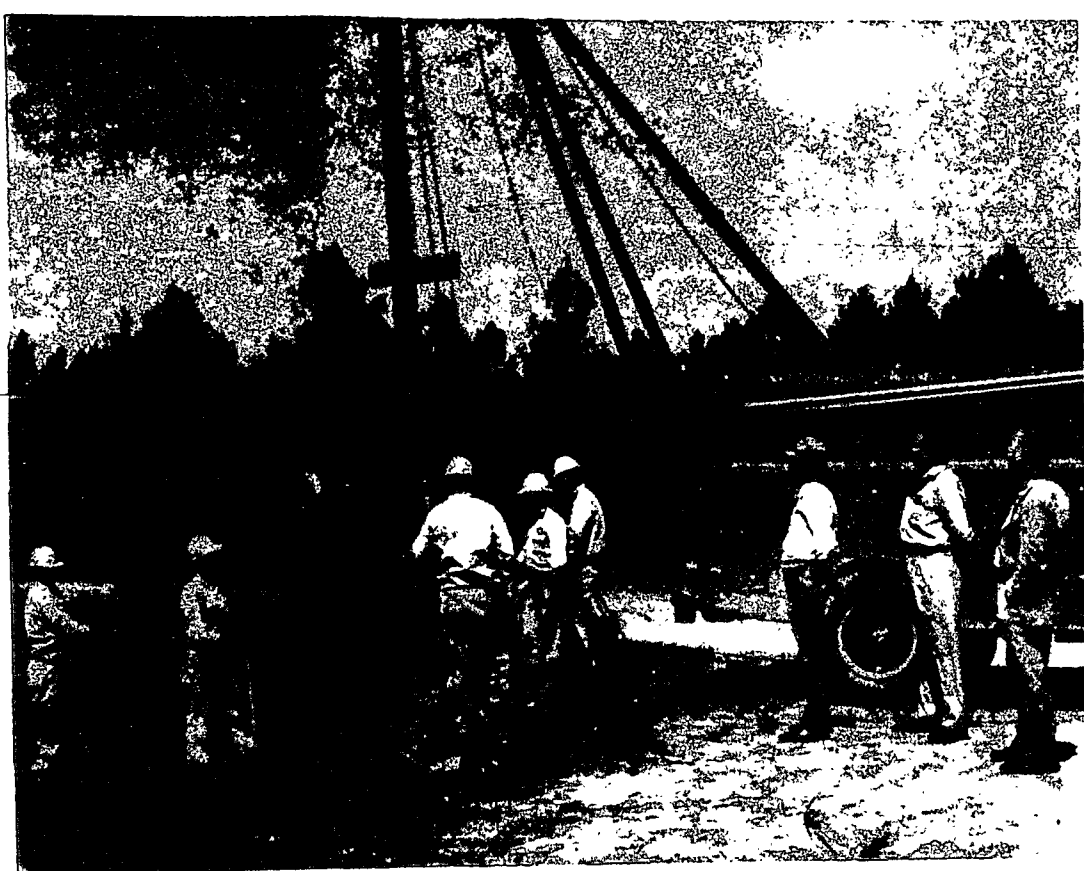

Trustees of Hancock General Hospital Tuesday night split 3-3 on the question of renewing for five years the contract of Administrator Thomas O. Logue following a recommendation from the medical staff which praised his ability and integrity and commended progress of the institution under his direction.

The question is expected to be revived at the next meeting when all the board is present. Logue's present contract still has 16 months to run but after President T. T. Reboil, Jr., read the letter signed by all local practicing physicians he observed the administrator was

thinking of buying a home in the county and it would seem wise to give him a longer contract. Secretary J. Norton Haas remarked that he, like Justice Frank Selph who was the lone absentee, was nearing the end of his term on the board and felt the decision should be left to the new board. Treasurer K. W. Peppard, the third trustee whose term expires this fall, called for action now.

Dr. A. K. Martinovich, Jr., who with Drs. Frank Schmidt, chief of staff, W. L. McFarland and T. A. Quigley sat in on the board meeting, pointed to past difficulties in obtaining a satis-

MAKINGWAY FOR ROAD - Coast Electric Power Assn. workmen move a pole from the path of the new Kiln road so construction can begin. Observing the move of the pole are J. W. Watts, Jr., operations superintendent, Coast Electric; George Humble, construction superintendent, Circle, Inc., road builders and C. E. Caraway, project engineer, state highway department. H. Hardin Shattuck, the utility's manager, received word yesterday morning that the state would pay the costs of moving the power lines and yesterday afternoon, though no formal contract had been signed, work commenced on the move Humble said was most urgent.

Stop Hubbard's Seawall Buying

The majority faction of the Board of Supervisors continued to exert its power at Monday's meeting by taking away the purchasing rights of Beat 5 Supervisor R. C. Hubbard, Jr., on seawall work and putting four employees from each district on the seawall payroll.

Vote was 3-2 on both motions, James Necaise, Ike Frierson and Charles Lavinghouse voting aye and Hubbard and Charles Russ aye. Necaise suggested the action and the motions were made by Frierson seconded by Necaise.

The first motion was that each supervisor employ four men from his beat to work on the seawall and be paid out of the seawall fund. Second motion was that all purchases made for the seawall be done by superintendent J. W. Olsen subject to approval of the board. Olsen was employed over the dissenting votes of Hubbard and Russ earlier in the year.

Hubbard said he was voting nay "because of the fact that I have maintained the seawall for the past nine years and my district is the largest, having 72 per cent of the assessed valuation in the county. Also approximately 62 per cent of the population and I feel it is discriminating against the people in my district and each supervisor is charged with the responsibility of his district and the funds."

Evidently referring to seawall funds Frierson said "It isn't more your money than ours. We are not going to waste it". Asked if he intended to put four men on the seawall, he replied, "I don't know whether I want any on it or not".

Before the discussion Necaise moved for an executive session but received no second. Necaise then stated that the press had been unfair to him and accused Hubbard of having told the Echo what to write about the last meeting. Hubbard replied he had not spoken to the publisher of the Echo nor the reporter in more than a week. Necaise said "what I said was that we will get together so the men would not lose any time". Hubbard replied "what I said was 'I said we are together'" and asked a number of spectators if that was right. They replied in the affirmative.

President Hubbard opened the session attended by two representatives of the state auditing division, saying "the purpose of this meeting is to discuss financing. As of March 31 the general fund had \$42,656 according to figures of the clerk. Expenses for March were \$14,000 and \$27,000 is owed to the seawall fund. (Editors note: Only a part of the fund.)

City School Head Wins Pay Hike; Census Due

Municipal Separate School District trustees Monday voted a \$1,250 annual pay raise for Superintendent Joseph D. McCulloch.

Trustee Robert Hamilton recommended the increase to \$9,000 to begin with the new fiscal year July 1, after the board studied superintendent's salaries in similar school districts throughout the state. McCulloch was voted a \$300 raise last year.

At the same time the trustees officially voted to renew his contract for an additional three years, starting when the current contract expires next year.

Friday, April 21, was set for a census to be taken in the district by the teachers of all children up to the age of 21. The census is required by the state every two years to determine the number of pre-school and school age children so that the state can determine for the future. Schools will be closed all day that day so teachers can make the door to door count.

The architectural firm of O'Neil and Wagner was commissioned to draw plans and supervise construction of a new industrial area shop for Bay High. Fred Wagner has already drawn the preliminary plans for the project submitted to the state. McCulloch reported receiving \$483.75 from the state, 1.5 per cent of the total cost. After plans are approved the state will

send another 60 per cent. City Commission Council has already voted to provide its share of the project when needed.

The superintendent reported the system's elementary schools have been rated class A by the state. Of the 597 elementary schools in Mississippi there are 11 non-accredited, 315 accredited in class B, 237 in class A and 29 in class AA. McCulloch said a class AA rating is still being sought for Bay High and should be attained within a couple of years. He explained teachers are continuing to take extra studies during the summer to help raise the school's rating.

The annual dinner for the trustees and commission council will be April 26, McCulloch said. Plans were also discussed for a dinner to honor the Bay High senior band members. The superintendent said members of the band are as equally deserving of recognition as are the school's athletes. No date was set.

Kiln Road Pole Move Launched

Coast Electric Power Assn., which has already started moving cables and poles as necessary to make way for construction of the new Kiln Road, has filed for an application with the Army Corps of Engineers for a new aerial transmission cable over Bayou LaCrosse.

The company proposes to erect the new cable only 42 feet above mean high tide instead of the present 54 feet high of the present cable. J. W. Watts, operations superintendent of Coast Electric, said the cable must be moved because of road construction and that it can now be lower because the new bridge will be fixed.

O. L. Adams, chief of the operations division of the corps of engineers, said any protest against the construction from the standpoint of navigation must be received at the district engineers office, 2301 Airport Blvd., Mobile, Ala., not later than April 24. Plans may be seen at the district engineer's office in Mobile.

Blood Supply Low As Drawing Nears

Only five pints of locally-donated blood were left at noon Wednesday at storage facilities in Foundation Hospital, New Orleans, when the drawing of blood for the state highway department was under way.

John D. Rutherford, Jr., president of the Hancock County Blood Bank, reported today in urging overwhelming participation in the drawing here came Wednesday.

The county has used 280 pints since the drawing last October and with the usual heavy prevalence of accidents during the summer months a good supply must be secured at this time to cope with any eventuality. Rutherford explained that 195 pints were secured in the October drawing and after the local bank had repaid what it had borrowed from Foundation Hospital (Cont. on Page 6.)

John Bordages Ladner File

Leonard Ladner of Clermont Harbor and John Bordages of Lohatchere have filed as candidates to fill the unexpired term of the late A. Gordon Courrage as Beat 5 member of the county school board.

Ladner was defeated for the office by Mr. Courrage in the election last November. He is president of the Clermont Harbor Civic Assn. and a former deputy sheriff. Bordages, yardmaster with the Southern Railway in New Orleans, is making his first bid for a public office. (Cont. on Page 6.)

Chamber Seeks Better Look for Public Areas

Improvement in appearance of public areas in Hancock County was sought in a resolution addressed to the responsible public bodies adopted by the board of the Hancock County chamber of Commerce Monday evening.

The resolution, prepared by board member Warren J. Corver, formally requests improvement in the appearance of grounds through landscaping and other improvements. Grounds specifically discussed at the meetings included North Central, Hancock General Hospital, County Health Center, North Bay, City Park, City Hall and the Courthouse.

Candidates Open Drive For Election

Six local men are busy shaking hands all around town. They are the candidates in the city Democratic primary slated for May 9.

The three City Commission Council incumbents are the three men seeking their offices are actively campaigning and at least one rally is being planned.

Mayor John A. Scalfie and Commissioners J. Cyril Glover and Warren Traub said that their campaigning consists primarily in getting out and personally contacting the voters.

Russell Elliott, candidate for mayor, said he is contacting as many people as possible. Burton D. Johnson, also vying for the mayoralty, said he is campaigning through personal contact and also has plans being set for at least one public rally. He said the date and other plans have not yet been finalized.

Lucas F. Pucheu, Jr., who has a formal statement concerning his political beliefs elsewhere in this issue, said he is making a house to house campaign to as great an extent as possible. (Cont. on Page 6.)

VD Cases On Rise In County

Venereal disease, which seemingly had been knocked out a few years ago, has made what is described as an alarming comeback in Mississippi and throughout the nation.

Last year there was a 72 per cent increase in reported new cases throughout the nation, Dr. Dennis E. Magee, Hancock County health officer, reports that in this county alone last year four cases of syphilis and six cases of gonorrhea were reported. Two of the syphilis cases were infectious, one primary and one secondary, he explained.

Dr. Magee reported in 1959 no infectious syphilis cases were reported and there were nine cases of gonorrhea.

Dr. Durward Blakey, director of preventable disease control of the state board of health, said that while statistics show an increase in this county he does not believe there is cause for alarm.

He noted that Mississippi has shown an increase in infectious syphilis along with the rest of the country. In 1959 the state reported 73 cases and last year 145 cases. There were, Dr. Blakey added, corresponding increases in early latent syphilis from 100 to 127 and gonorrhea increased from 6,259 to 6,818.

While this county is advised it need not be alarmed over its increase other cities throughout the nation are alarmed over VD cases, and rightly so, New Orleans, for example, reported an increase of 818 per cent between 1955 and 1959.

T. Lefoy Richman of the American Social Health Assn. has pointed out that one terrible aspect of the 1960 record is that teenagers account for more than one fourth of all reported victims across the nation. More than half of the new cases are in the 15 to 24 age group, he said.

North Central P-TA Eyes Band Fundraising

With the school band giving a demonstration of its ability, North Central's Parent-Teacher Assn. met last Thursday in connection with its efforts to raise money to purchase additional instruments for the band and for other student activity needs.

The group, with Superintendent Kenneth G. McCarty present, also discussed the possibility of the band continuing practice during summer vacation under the direction of Owen Williams, band master.

Mrs. G.S. Kennedy, Jr., reported on progress of the library reading program for grades seven through 12, and Carl Marshall, Jr., representing Coast Electric Power Assn., invited those present to a meeting sponsored by the power company at North Central April 28. It is part of the utility's program of meetings with members in the various rural communities of the three-county area it serves.

Bay High Band Concert Stated

Several specialty numbers will be included in a concert by Bay High's band at 8 p.m. Tuesday in the school auditorium, director Marcel LaNasa announced.

Featured acts will include a flute trio by Toren Williams, Martha Wheeler and Sandra Hinson. C.J. Favre will play a sousaphone solo, Forty Fathoms, and Wayne Luder will play a trumpet solo, Trumpeters Lullaby by Leroy Anderson. Another feature will be Carnival of Venice played by flutist Caron Williams.

Admission is 25 cents for students and 50 cents for adults, proceeds going for band uniforms and instruments.

Haunted House Play Set by Hawk Seniors

LIFE IN LOGTOWN

By HENRY OTIS Phone 2864

Pvt. Emmett Wyman, Jr., stationed at Ft. Jackson, S. C., is on furlough visiting his parents. The furlough has all gone to spend a few days in Hattiesburg with his aunt and her family. Mr. and Mrs. R. A. Brock, before he returns to his post.

Dorrie Turner, 11-year-old daughter of Mr. and Mrs. Louis Turner of Pearlport, is in the St. Louis Hospital. Her friends at school are missing you!

Logtown Elementary School will host the county-wide 4-H talent contest next Thursday, at 7:30 p.m. in the school gym.

The public is invited to come and see the various talents of the school children of the county. Winners will go on to the District contest in a couple of weeks. Classes for people interested in learning more about the Methodist Church are being held at the Pearlport Methodist Church, with Rev. Bertis Rouse leading the discussion. Last Sunday the children's choir received Choir Crosses, after presenting nice hymns the past few weeks.

A softball league is being formed for the area outside of Bay St. Louis and Piquette. Last Sunday afternoon, the league got underway with the Pearlport Methodist boys defeating the Blenville boys. Other communities in the area in the process of forming teams for this league are Logtown, Nicholson, Carriere, and others. It is hoped that a girls' league will be formed, also. Pearlport and Logtown are busy setting up a nice field on the Logtown School Annex. Koch Memorial Playground.

The Logtown-Pearlport Methodist Youth Fellowship held its organizational meeting at the Pearlport church Sunday night with 14 young people present. The following officers were elected: president, Wayne Givens, vice president, Carolyn Otis, secretary, Marie Givens, treasurer, Faye Long, and publicity chairman, Charles Bennett. The next meeting will be at 7 p.m. Sunday at the Logtown church. Other young people interested in joining the group are invited to attend.

Hearing tests were given 167 of the 172 children enrolled at Logtown School this week. The five who were absent will be tested before the end of school.

Mrs. T. P. Ward and Henry Otis operated the audiometer machine loaned by the county health office.

The W.A.S.C. of the Logtown-Pearlport Methodist Churches met Tuesday afternoon at the home of Mrs. Pauline Weston, with eight ladies attending. They all enjoyed the program and fellowship with Mrs. Weston leading the service, and the refreshments were delicious.

If anyone in the Logtown-Pearlport-Gainesville area has any news for this column, which will be a regular feature of the Echo, please phone your correspondence at Logtown 2864. News must be turned in by Tuesday of each week to appear in the paper of the weekend.

Kiss, Tell Postponed

The Little Theater's presentation of F. Hugh Herbert's Kiss and Tell, originally set for late April, has been rescheduled for Thursday through Saturday, May 4-6, to avoid conflict with various school activities.

Leading parts in the cast of 15 have been assigned: A. Clark as Cortez Archer, Gary Furrows as Dexter, David Gillespie, aged 9, as Raymond Pringle, with John Stern and Jonelle McLain as Mr. and Mrs. Archer.

Theater directors requested that 1961 memberships of \$5 per person for the four plays be mailed promptly to P.O. Box 342, rather than waiting for the first production.

MR. AND MRS. HOMER LINDSEY

Miss Silva Becomes Bride Of Mr. Lindsey Saturday

The marriage of Miss Joan Florence Silva of New Orleans, La., daughter of Mr. and Mrs. Arthur A. Silva of Pacific Grove, Calif., to Homer McLellan Lindsey, son of The Rev. and Mrs. E. A. Lindsey of Bay St. Louis, was solemnized at 4 p.m. Saturday at First Presbyterian Church with the father of the groom and pastor of the church officiating. Mrs. Robert Teague was organist.

The vows were spoken before the altar which was flanked by palms, a large arrangement of white chrysanthemums and stock.

The bride, escorted by Frank D. Johnson of New Orleans, wore a white afternoon bridal gown of her own design. Fashioned of wool challis it featured a high round neckline, fitted bodice with small covered buttons from the waistline in the back, a chapel length gathered skirt falling from points in the front and back and long tapered sleeves ending in points at the wrists. From her pill-box headpiece was gathered the shoulder-length veil of nylon tulle. Her shoes were white satin pumps and her only jewelry a tiny gold cross and chain and small gold antique earrings each.

Miss Randolph, Mr. Bailey Plan Wedding for May 2

May 2 has been selected by Miss Norma Glenda Randolph and Bob G. Bailey of Chickasaw, Ala., for their wedding day. Her parents are Mr. and Mrs. W. Clarence Randolph and he is the son of Mr. and Mrs. Thomas Bailey.

The wedding will be solemnized in the home of the bride-elect's parents, 124 1/2 Felicity St., by the Rev. E.E. Price, pastor of Main Street Methodist Church. A small reception will follow.

Attending Miss Randolph will be her sister, Mrs. Robert Poole, of New Orleans. The best man will be William C. Harrison of Pritchard, Ala.

Miss Randolph is a graduate of Bay High School and is employed at Merchants Bank and Trust Co. Mr. Bailey attended schools in Chickasaw and is an employee of the L and N Railroad in Birmingham, Ala.

NORMA GLENDA RANDOLPH

Shower for KitchenFetes Bride-Elect

In keeping with the color scheme chosen by bride-elect Mary Louise Peranich for her kitchen, Mesdames Charles A. Breath, Jr., and Laurent L. Kergosien and Miss Sue Breath selected a yellow and white color scheme for the shower they gave Sunday afternoon in compliment to her at the Breth home on N. Beach Blvd.

Yellow and white snapdragons and white dogwood blossoms and other spring flowers were used in arrangements throughout the reception rooms.

Miss Peranich wore a beige tulle dress accented with matching accessories and a corsage of white gladioli. Her mother, Mrs. Fritz Peranich, was in a green two-piece ensemble trimmed with a green and white polka dot scarf and the groom-elect's mother, Mrs. Edward Joseph Cambre of New Orleans chose a black silk suit. Both wore white gladioli corsages.

The gifts of kitchen articles were presented to the honoree by Miss Gigi Cambre, a sister of the prospective groom, in a gaily decorated teacart.

An iced course was served from the dining table covered with an imported white linen cloth with all-over embroidery. A silver bowl filled with yellow and white flowers flanked by yellow tapers in silver candleholders formed the centerpiece. Yellow and white mints and petit fours completed the menu.

Other pre-nuptial courtesies planned for Miss Peranich include a luncheon Saturday at a New Orleans restaurant with Mrs. James Hughes as hostess. Miss Peranich and Mr. Cambre will be married Saturday, April 29, at Our Lady of Good Hope Church in Delisle.

able her to broaden her knowledge in food at a premium price as well as assisting in the kitchen during summer vacation. Motion to adjourn was by Pepperdine, seconded by Mrs. Ward, and the vote unanimous.

Trustees voted much satisfaction in the increased collections reported by March after paying expressed concern over late pay at last month's meeting. Cash income from patients was \$17,036.38 and other income \$17,951.27. Rebut commented that the hospital personnel apparently were making collections vital to survival. Logue stated that newspaper reports and editorial had contributed materially to public and staff awareness.

Treasurer Pepperdine in reviewing his report noted that payroll had been limited following a request last month and Logue said he appreciated the knowledge. Payroll was \$8,591.32 for 55 employees, 43 of which are fulltime. Rebut inquired how many trustees had been by during the month to talk with Logue on improving collections and costs as a result of the March session.

A docket of \$5,941.56 was approved, almost \$1,000 below the quarterly total of \$6,670.

Logue noted a drop in the patient census was 27 and lowest there were 11 charity patients for 79 days.

The administrator reported vacation plans and Favre advised this was administrative procedure in light of state law. He discussed reporting part of staff meals for social security and income tax purposes.

He was directed to examine the matter further when he confers Sunday morning with state representative.

Noting a number of calls for emergency service at the hospital, Logue suggested he secure a primary commission for hospital and only the board concurred.

Also said he would have a report next month on maintenance contracts now that the institution is a year old and various projects have been made.

The administrator reported drug supply is being checked cataloged by Karl Von Metzger, retired pharmacist, on a temporary basis; was authorized to check on adding machine and electric typewriter and was directed to attend the Southern Hospital conference in April 1961.

Logue reported as statement made at the last meeting that the general fund had been repeatedly

of the \$27,000 is owed the seawall fund. Even more is owed the Road and Bridge fund. That leaves as of April 3 about \$1,000. About \$5,000 or \$6,000 is to be received from home-steads but we have collected the bulk of taxes for this year," he again warned that the board has to operate within the seven mills allotted.

Attorney Lucien Gex asked if it wouldn't help to explain that there is enough money in the seawall fund to pay the obligations, saying, "What we want to know is about suspending payment of the \$27,000 if there is some way it could be extended."

Hubbard replied if that was done the seawall would have to be shut down. Gex stated it was his opinion repayment could be made provided the board did not misappropriate any funds.

The auditor, a Mr. Carter, who had been invited to attend the session in an attempt to help straighten out the county's finances, repeatedly told the board that it was the auditing department's job to account for the county money. "A lot of counties borrow money and would like to forget it but that is our job. Your questions would be better answered by a man from the home-stead division," he said, adding "but I don't think the budget law has ever been tested — this is off the record." Gex warned that anything he said was "on the record."

Carter concurred with Gex that money from the general fund could not be used for permanent improvements after Gex noted that "on May 19, 1959, there was an illegal transfer of funds for which the county was penalized. It was based on a permanent improvement."

The transfer referred to apparently was \$20,000 used to finance building of the county health department building adjacent to Hancock General Hospital. Hubbard countered that the board was acting under Sec. 2997 of the Mississippi Code of 1942. This statute states that the board may purchase necessary real estate to construct public health buildings, a public health department out of the general fund. The \$20,000 was transferred from the general fund to the health and sick fund and used to build the health center.

Chancery Clerk Claiborne Lecher repeated as statement made at the last meeting that the general fund had been repeatedly

Seek Extradition Of Andrews As Burglary Suspect

Extradition papers have been forwarded to Gov. Ross Barnett seeking the return from Louisiana of Alfred Andrews, Negro, wanted here on charges of larceny and burglary of the Winn-Dixie supermarket on Jan. 25.

Andrews was arrested in New Orleans and is being held in Orleans Parish prison. He has refused to waive extradition.

Assistant district attorney Clyde Harburt said Andrews had cartons of cigarettes bearing Mississippi tax stamps and several other articles similar to those stolen from the market in his possession when arrested.

3.38 Inches Of Rain Fall

Bay St. Louis has been soaked by 3.38 inches of rain this week, Brother Roderick, director of the weather recording station at St. Stanislaus College, reports.

He said Sunday the rain fell .45 of an inch and Monday .31. There was no rain Tuesday. The St. Stanislaus station and the recording station at Rocky Hill Tower both recorded 3.12 inches Wednesday.

Also Wednesday there were gusts of wind up to 40 miles an hour.

Power Pole Broken In Auto Accident

Virgil Martin, 26-year-old serviceman stationed in Texas, was charged with reckless driving and destroying private property as an aftermath of an accident about 10:45 p.m. Sunday.

City Patrolman Gerald Favre, investigating officer, said Martin was driving west on Court Street when he lost control of his 1952 Ford and struck a power pole snapping it off about halfway. Martin escaped with minor facial bruises.

Martin was tried Monday in city court by Mayor John A. Scalfie and fined \$10.

Police work that other sheriffs didn't do. He added that everyone caught driving under the influence of alcohol would be arrested and "fined \$100 regardless, even members of the board of supervisors." He suggested that board members throughout the state get together and lobby in the state legislature to increase millage for the general fund.

Many Cars Failing On 1st Inspection

Hancock County auto inspection stations, which have checked 551 cars, report a large number of vehicles are not meeting requirements on the first check.

Sam Periclaro, one of the authorized inspectors, said nine out of every ten cars taken to him for inspection have not met the requirements set by the state.

Gulf Chevrolet reports one third of the cars checked there have been found unsatisfactory for one or more reasons.

Both stations report primary deficiencies have been headlights, steering and brakes. Periclaro said most of the auto owners have ordered the deficiencies corrected on the spot.

Motorists have been urged to see that their vehicles are in a good condition as far as brakes, lights, steering, tires and windshield wipers are concerned before these are the items being checked. Work to bring these items up to the required standards can be done wherever the car owner wishes.

Col. T. B. Birdsong, commissioner of public safety, explained the purpose for the auto inspection is to discover any

maladjustment in vehicles that might become a link in a cycle of events leading to an accident and, by removing the link, prevent the accident.

Periclaro said few of the car owners have realized the maladjustments. He noted that when he put one of his own vehicles through the inspection test he found it did not pass although he had thought it to be in a good condition.

Motorists have April, May and June to have their cars inspected in order to use the highways. Vehicles must be reinspected on resale and after being involved in an accident. A \$1.25 fee is charged for each inspection station and 25 cents to the state. An official inspection sticker, valid for one year, is issued.

U.S. Gambling Stamps Held Here Are Listed

Records in the U. S. Internal Revenue Service in Jackson show federal gambling stamps were issued to the following in Hancock County:

James Armstrong, Trailways Truck Stop, U. S. 90; Thomas Bressler, Bressler's Cafe, 140 Main St.; Douglas A. Iver, Doug's Lounge; Louis F. Kothmann, 66 Cafe, U. S. 90; Alvin Moran, Moran's Place; Frank Trapani, Trapani's Knock-Knock Bar, 105 N. Beach; Ben T. Wood, Wood Town, U. S. 90; and John A. Lemmon III, Clermont Harbor.

Under federal law, professional gamblers, including operators of cards, dice, race-horse handicaps, etc., must buy a \$50 wagering stamp. A \$250 gaming device stamp is required on every coin-operated gambling machine whether it pays off automatically or over the counter.

Junior-Senior Prom Theme Is Selected

Ronnie Peterson, class president, and his committee are making final plans assisted by Miss Mildred McCurley, class sponsor.

Two Injured In U.S. 90 Mishap

Two men were injured last Thursday when a truck and an automobile collided on U. S. 90 two and one-half miles west of Bay St. Louis.

They are Earl Livingston of Gulfport, driver of the pickup truck, and Isaac Sherward of Grand C. Highway Patrolman Fred Cures said both men suffered head injuries. Livingston received treatment in Hancock General Hospital.

Taken into custody by prison authorities were Lloyd F. Sum, Jr. to run currently; Bobby Bazar, two to ten years; Troy Lofton, three years; Gerry Richter, 18 months; John Maye, two years; Donald Woodley, two one-year sentences; and Lloyd Welch, one year.

Carl Johnson and Jerry Slayden, also sentenced during the term, have appealed and remain in county jail awaiting decision of the State Supreme Court.

Negro Recreation Grounds Sought

Mrs. Theo Tudury, director of the City Parks and Playgrounds Commission, appealed to property owners for use of ground for a Negro playground and recreation area.

The playground is sorely needed by Negro children, she observed, and members of the commission have been looking for a suitable site.

2,800 Homestead Exemptions Filed

A report from the Tax Assessor George Heltzmann's office indicates that approximately 2,800 filed for homestead exemption by the April 1 deadline. A few remain to be filed, he added.

Bowman Addresses Jones P-TA Dinner

The Rev. John W. Bowman, pastor of St. Rose de Lima Church, was guest speaker for the third annual Parent-Teacher Assn. banquet at Valera C. Jones School Monday night attended by about 350 persons. R.A. Robinson, P-TA president, welcomed guests in behalf of the P-TA and Audrey Dillon again for the faculty.

Music and oratory was presented by students, the high school and chorus directed by Evelyn Daller. The choir of Big Mt. Zion A.M.E. Church of Louisiana sang. Closing remarks were by Principal J.S. Price.

Tung Nut Festival Scheduled

The second annual Tung Nut Festival will be held Saturday and Sunday at the White Cypress Catholic Youth Center at Necaise Crossing for the benefit of the youth center.

The Rev. Celestine Pfannenstiel, M.S.S.P., pastor of the Church of the Annunciation, said the two-day event will include games, dancing and food and will be climaxed with the crowning of a Tung Nut Queen Sunday night.

The festival will start at noon Saturday with softball games and the serving of food, including gumbo, meatballs and spaghetti in the center. There will be 30 and 50 cent servings.

The D. H. Holmes minstrel show will be presented at 8 p.m. Saturday, followed by a dance with taped music.

Sunday softball games will continue as will the serving of food. Square dancing will start at 2 p. m. The queen will be named at about 7:30 p.m.

Bay St. Louis Lodge 429 F&AM will meet Tuesday, April 18, 7:30 p.m.

LUCAS F. PUCHEU

Candidate for Commissioner

It is my considered opinion that any public official in the gateway to the governing processes of this city. It is of extreme importance that the commissioner and his office be readily available to our citizens to express their views and present their ideas and in your best interest in all decisions of the commission.

I strongly feel that the City of Bay St. Louis stands at the crossroads of the future. We are growing, but growth must be guided along proper channels to allow us to prosper. We must grasp the opportunity that is presented to us today, and not allow it to slip through our fingers.

This City has many resources that can be cultivated and promoted to the advantage of our citizens. We must advertise our strong points and overcome those things that tend to weaken our stature.

As a candidate seeking support in this election I assure you that I will represent the government of our fair city. It is our duty to make today's decisions and act in the best interest of the future.

WIN FASHION PRIZES - Dore Russell, left, of the North Bay 4-H Club, won first place in the 4-H division of the annual style review of the county Home Demonstration Council Thursday. Mary Jane Carroll of Longview won second prize and Pat Peraciaro, also of North Bay, took third place.

County HD Council Style Show Winners Are Listed

Fashions for Mayday was the theme of the Hancock County Home Demonstration Council style show last Thursday afternoon at the Agricultural Center when an assortment of spring and summer casual attire was displayed by the models who made them.

Mrs. Frank Shumaker, chairman, introduced the judges who were Miss Mamie Brock, chairman; home demonstration agent from Hazleburg, Mrs. K. T. Travis, retired Pike County agent, and Miss Virginia Burdfield, home agent from Stone County.

4-H winners were Dore Russell, North Bay, first; Mary Jane Carroll, Longview, second; Pat Peraciaro, North Bay, third. Others participating were Nancy Toward, Playbill Sauer, Jeanne Leggett, Kathleen Kelsey, Ann Rutherford, Diana Sander and Mary Elaine Yarbrough. Mrs. J. D. Williams was secretary.

Mrs. Grace Pearson and daughter Patricia of Gadsdenville were the family group in the women's division. The mother was in a pink cotton striped outfit with white accessories while Patricia wore a white dress with a white organza pleated trimmed to lace.

Top honors went to Mrs. Chella Fargason of Flatop in the afternoon class for size 16 and under. Her entry was a cotton

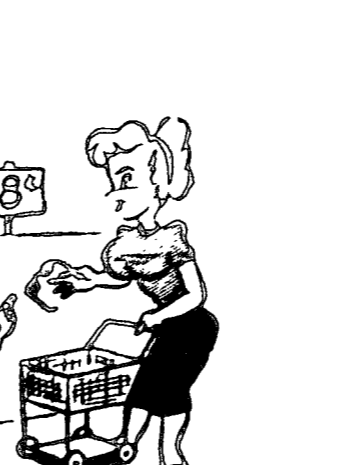

sheath, pink weave with a reversible jacket and she had made the matching hat in crimson yellow. Second was Mrs. E. R. Colgin of the Bay club with a white cotton plique skirt and matching jacket.

A black embroidered eyelet sheath with a short matching jacket won Mrs. Howard Burroughs of the Chamber Harbor club the blue ribbon in the afternoon dress class for size 16 1/2 and over. She added a white plique hat with a large white flower and matching accessories.

In the street dress division of 16 and over, the Flatop club scored again with Mrs. Oussie Mae Davis wearing a pink and white cotton check with white accessories. Mrs. L. A. Sauer won second place for the Waveland club with a black and white check, square neckline, short sleeves and fitted bodice.

Mrs. Charles Burdport of Chamber Harbor won first in the street dresses 16 1/2 and over with a shirtdress plaid. Runner-up was Mrs. Carol who chose a black and pink look. Mrs. J.P. Rousseau narrowed the adult division. The stage was decorated with yard material and potted plants furnished by the Bay club.

Russell Elliott For Mayor To the Citizens and Voters of Bay St. Louis

I wish to impress upon you my sincere reasons why I am so anxious to be elected to the Mayor's office of this City.

Having been reared in a Christian family, I learned early the need and desire to serve fellow men. My first thoughts ran through the ranks of clergymen, but after having spent three and a half years in a seminary, I realized I could best serve ALL OF THE PEOPLE in an open administrative position.

With this as my goal, I resigned from the seminary and entered my efforts and schooling in the direction, and over since the interruption by service to our country during World War II, I have served the people both through civic and political organizations. I feel I have properly prepared myself to follow through with my ambitions.

Four years ago, I ran for the office of Commissioner Council, so I could execute my ambitions in an administrative capacity and, though defeated, I am proud and grateful for the wonderful vote I received in my first venture into politics.

In the next county election, I ran for Justice of the Peace, mainly so that the people would have a better conception of me as a public official, stating at that time that I could conduct my office in a highly dignified manner.

THIS PLEDGE, I HAVE THOROUGHLY CONFORMED WITH IN EVERY INSTANCE. I am appreciative for having the opportunity of serving the public as Justice of the Peace, for the office does not offer me an outlet for my administrative ambitions, nor the opportunity to lead our city to progress. Therefore, I am now asking the fine people of this community to elect me "Mayor" so that I may be the administrator of the city's business, along with exerting the sincere leadership Bay St. Louis deserves.

I solemnly pledge that I will serve you in the capacity of "Mayor", leaving no stone unturned in my desire to build a bigger and better city, to bring in industry, to secure all civic and federal aid that both the state and federal government have offered for so many years to progressive municipalities.

I will equalize assessments so that each taxpayer will be burdened with only his own responsibility. I will attempt to decrease all taxation possible. I will cooperate diligently with all civil and political organizations. I will oppose all ridiculous bond issues, as I have in the past, and ALWAYS ONLY accept a bond issue if it is VITALLY NEEDED FOR PROGRESS of our city and only UPON A MAJORITY DECISION OF THE PEOPLE.

I will definitely work with all progressive organizations as the Jaycees, American Legion or others, exploring their youthful energetic ideas and efforts for progress and betterment of our city. I will immediately make plans for a 100% street-paving and drainage system. I WILL NOT lay idle for three and a half years, making only a GRANDSTAND SHOWING JUST PRIOR TO ELECTION.

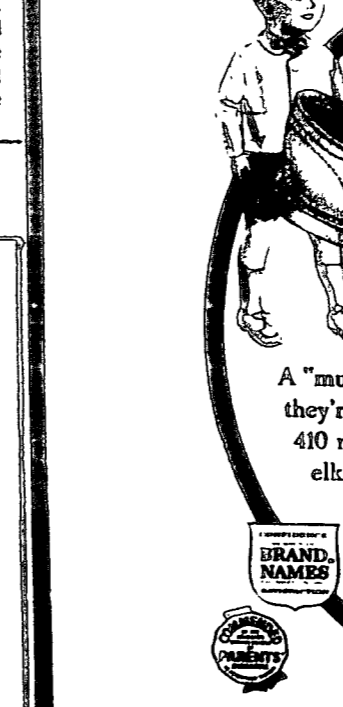

"WHERE THERE IS A WILL THERE IS A WAY". Accomplishment can only be achieved by diligent efforts and by eliminating the so-called words of "I CAN'T" and "IT CAN'T BE DONE". The people definitely are not interested now in just any kind of a leader. They are looking for leadership of the kind that can advance the entire community. One that stands for things that are important and will work TO REALLY MOVE AHEAD. A mayor who will concern himself with the most difficult problems, and conquer them. "IT CAN BE DONE".

I feel our community is in a state of moderation. Moderation which means, "doesn't stand for anything". I am extremely enthusiastic, but being younger, sincere, able and ambitious for our city's progress, I will be able to carry out my ideas and plans for a bigger and better city, always moving forward. I will be able to serve you in this administrative office as "Mayor". I am, therefore, asking for your support in the election of May the 9th, I am, RUSSELL J. ELLIOTT (Paid Pol. Adv.) Candidate for Mayor

Ernest Cuevas, Jr., was elected president of the Gulfview Park Junior League for the coming year at its meeting Monday evening at the school.

Others elected were Mrs. Arthur Smith, vice president; Mrs. Mary Kline, secretary; Mrs. Malinda Green, treasurer; Mrs. Margaret Varnell's fourth grade won the attendance prize and the new prize went to Mrs. Lawrence Lawrence.

Carl Marshall of Coast Electric Power Assn. was guest speaker, telling of plans for the Assn.'s community meeting at the school gym Tuesday, April 25. Refreshments will start at 6:30 p.m. so the meeting can begin promptly at 7:30 p.m. P-TA members will serve refreshments furnished by Coast Electric and H. H. Shattuck, manager, will be guest speaker.

Plans for buying or building a supply case were set aside until after the school board election June 3. Refreshments were served by faculty member Linda Carson.

John Smith and Mrs. Marcia Hughes of the county agent's office had planned a program on 4-H club work, but due to the late hour this was postponed.

Mrs. Jefferson Bosarge and Mr. and Mrs. Delbert Seay have as guests Mrs. Bosarge's daughter, Mrs. Slim Perry and three young children of Tampa, Fla. The Clermont-Lakeshore Youth Center Fair was a grand financial success. All the workers did a wonderful job. This is an example of what can be done when people pull together.

With the school board election only a few weeks off, those who can vote do not have much time left to pick the candidate of their choice. This is a serious matter for the future of our school and one that should be thought out carefully by all concerned.

Lucie Green, Gulfview student, won the steam iron at the Youth Center Fair Saturday. Mrs. Ed Lader of Ansley is once again a patient in Hancock General Hospital. Her many Lakeshore friends wish her a speedy recovery.

David Treuheit, camping chairman, said about 60 boys of the three troops will compete in such events as knot-tying, signaling and tent striking. Atrophy will be presented to the outstanding troop at a court of honor at 7:30 p.m. Saturday.

The boys will camp out overnight and will prepare their own meals. The parents and general public are invited to attend the events and see the award presentation.

Lucas F. Pucheu, (Paid Pol. Adv.)

Congratulations to Mrs. Billie Green, David Stoutlet and Louis Asher, who will cast their first vote on June 3 as all three have now reached the ripe old age of 211.

Get well wishes to Ernest Cuevas, Jr., who is ill at home. Lakeshore friends of Dr. Paul Purcell and his lovely wife Helen, are sorry they have moved to Bay St. Louis. Dr. Purcell found commuting back and forth between home and office took too much time. Now he has his office in front of the new home they recently bought in the Bay.

Career Day At Bay High Slated Friday

Mayor John Scalfide will be principal speaker for Bay High School's annual career day Friday. J.D. McCulloch, Superintendent of the municipal separate school district, will introduce the speaker at a general assembly opening the day's program.

Speakers on various major professions who will address students interested in that field will include: R.L. Johnson, dean of Pearl River Junior College; Dr. A.K. Martinovich, Jr., local physician; Dan M. Russell, Jr., attorney; Hardin Shattuck, Coast Electric Power Assn. manager; Fred Wagner, architect; and Miss Winona Latimer, home economist with Mississippi Power Co. Representatives from Pearl River college, South Mississippi Charity Hospital of Nursing and the armed forces also will appear.

Recently each student filled out an interest questionnaire on occupations, results of which helped determine which vocations would be represented on Career Day.

Boy Scouts Camporee Set For April 22

Bay-Pass Boy Scout District will hold its first 1961 competitive two day camporee beginning at 1 p.m. Saturday, April 22, on the Ted Stechmann property on Blue Meadow Road.

David Treuheit, camping chairman, said about 60 boys of the three troops will compete in such events as knot-tying, signaling and tent striking. Atrophy will be presented to the outstanding troop at a court of honor at 7:30 p.m. Saturday.

The boys will camp out overnight and will prepare their own meals. The parents and general public are invited to attend the events and see the award presentation.

Lucas F. Pucheu, (Paid Pol. Adv.)

Welcome To This Planet

We'll begin by welcoming a new arrival - According to his very proud grandmother, Mrs. Ruth Ketchum, little Roger Dale Asher, son of Clara Lee and Curtis Asher arrived at Hancock General at 2:35 a.m. Saturday weighing 8 1/2 pounds. Paternal grandparents are Mr. and Mrs. Albert Asher. Roger has one brother who had the distinction of being born in Alaska.

Birthday greetings to Roy Sauer - he and Catherine celebrated by dining at Arnold's last Wednesday. They arrived in the Blue Room just at midnight as the orchestra played Happy Birthday. . . very appropriate as Thursday, the 6th was his birthday. . . to Laura Hunter who cut her cake on April 5 as did Jack Sauer. . . write Doris surprised him with a birthday party. . .

Sick Notes

Get well wishes to Audrey Favre who is scheduled for surgery in the near future, to Jack Norris of Farrar Lane who was hospitalized last week, to Al Landry who we are sorry to hear has been quite ill and to Mariel Gilman who entered Hancock General on Monday.

Mrs. Wintrop Baker dropped us a charming note re the recent Red Cross Drive in our town of which she was chairman. She states that it was with fear and trembling that she took over leadership of the 1961 drive and she confessed to having lost sleep and missed a few meals in her anxiety over it - however she happily reports that once more the people of Waveland came through and the quota was reached. Mrs. Baker wishes to thank her team of workers who included Mesdames Roy Gordon, N. L. Carter, Lee Ferrell, Duane Bourgeois, Otto Schupp, David Markey, Martin Markel, F. T. Rose, R. A. Steinmeyer, James DeBlanc, R. O. Vorbusch, Claude Varborough and Cora Coe who worked long and diligently and to express her gratitude to the citizens of Waveland for their cooperation and generosity. She adds that if anyone was overlooked they may call any one of the above workers or mail a contribution directly to the American Red Cross, Hancock County Court House, Bay St. Louis.

Sandy Street Report

We were glad to spot the familiar envelope from Mrs. Faust and know that once more she's keeping up with Sandy St. doings. We were a bit pressed for space last week, so here is your Easter report from that area. . .

Babin's Bunk was filled to capacity over the holidays. . . Mr. and Mrs. Schendler were at their summer home. Mrs. Robert Teague who has been ill for the past two weeks is doing nicely and the Teagues were delighted to have their architect son and his family arrive from Houston, Tex for the holidays.

The Barton home was filled from Thursday through Sunday. Mr. and Mrs. Claude St. Amant spent the weekend in New Orleans with their children. Mrs. Arthur Seghers spent three weeks with her parents, Mr. and Mrs. Charles Faust, while her husband was able to return for Easter and spent the holidays at the Fausts. Additional guests of the Fausts were their son and daughter-in-law, Mr. and Mrs. Richard Faust and Mr. and Mrs. T.F. St. Amant and five children, all of New Orleans.

Ruth Ballard and Kate Saux will be extremely occupied next week - They'll be hosting daily luncheons for members of The Women's Skill golf tournament at Pass Christian Isles Club. Visiting the Edgar D'Aquino at their Farrar Lane home is their granddaughter from California. . . Also here from California is Sterling Belaschi's mater.

About The Younger Set

Doris Davis was the guest of Charlotte Glass at a slumber party last Friday night. . . Amy Lynch is the latest camera bug about town. . . she has a new flash and insists that it is a late Christmas gift from her papa. . . he was under the impression it is a premature July 4 present. All of the Coleman Ave. kids are having a ball with a slightly decrepit red wagon while numerous newer, shinier toys go unnoticed.

Our sympathy to Jimmy Lagasse - his 'New' car was damaged when struck by another car in New Orleans last week.

Olga and Dick Mestayer have returned after a few days in the Crescent City as guests of Miss Kathleen Judlin.

Dining at Haverly's last Friday night were Mr. and Mrs. Vic Leveau. . . Mrs. Leveau looked wonderful - she's apparently completely recovered from her recent illness.

Another large weekend visitor wise - among those enjoying their summer homes were Mr. and Mrs. Dan Bundy of St. Joseph St., the Claude Dukes, the Stephen Hartels, L.T. Boyds, the Harry Blankes, Rene Tricon, John Wrenstead and sister and of course, their chinaman, the Richard Hagens and many, many more.

Mrs. Hiliare Ogden and Mrs. Herbert Baron are making final arrangements for the Bay-Waveland Spring Flower Show on April 20 and 21. . . This event arouses much interest annually and draws a crowd from near and far.

CROWDS ENJOY YOUTH CENTER FAIR

The grounds of the newly organized C-L Youth Center at Clermont Harbor School were gaily decorated as the crowd descended for their first fair last Saturday. I've no idea how many pounds of barbecued chicken, spare ribs and potato salad were devoured, how many darts thrown, wheels of chance spun. . . but a very impressive profit of over \$1,000. was realized from the affair. Year-round and summer residents teamed up to man the booths, open air. . . John Audser and Max Treilles were among those from St. Clair's who pitched in. Elaine Stiemle sold coffee while husband B.E.'s melodious voice could be heard on the loudspeaker telling one and all about the fair. . . their guests were B.E.'s brother-in-law and sister, Sgt. and Mrs. William Patrick of Biloxi attractively attired in marching shirts. Doris Klotz and Shirley Hawkins had a gift booth - some of the other workers included Grace, Ruble, Helen, Tenna and Lambert Bordages. . . Gloria and Herbert Peterson, the Malcolm Greens, Mrs. Ed Orrie, Carmal Lenfant, Peggy Barrios, Mercedes Spahr, sr., the very able fortune teller, Beulah Peterson, Betty Klein, Frank Klein, Harvey Ming and Nookie; Martie and Lloyd Garcia. . . Lloyd a master of the barbeque pit wearing an enormous chef's hat, Francis Carr, Lillian Garcia prey Joyce Garcia was busy all over the place. . . and these are just a few of those who really worked to make the affair a success. . . among those having a wonderful time were Helen Messtayer and children, Bessie and Jimmy DeBlanc and family, Doris and Baldwin Wilday, Mr. and Mrs. Dan Sellen, Lawrence Peterson, Gert Robertson, Ray, Sam, Wilfred, John and Will Bordages, Belle Peterson, Eerie Becker, Martin and Russell Elliot, Sue and Kent Sellen, Josie Herbig and Faye Hellmers, Gerri and Sam Blanchard, Carmen and Dan Kirschenheuter, Mr. and Mrs. Lemmie Rupp, in fact just about everybody including at least half a million politicians. . .

Last Saturday night Beulah and Sidney Bourgeois, Claire and Fred Bourgeois, Ora May and Connie Herlitz and Nona and Harold Zimmerman donated their best bids. . . bent on attending the K.C. dance in the Bay. . . due to the fact that almost no one else showed up, the dance was cancelled. . . so the party crossed over the bridge to dance at the Knights of Columbus Hall in Long Beach. . . incidentally we heard there's soon to be a dance at the parish hall but don't know exactly when. . .

Fishing

Very scarce - water still not right, but Charlie Mollere states that his boat is gassed, his rods oiled and he's ready to go. We did spot one largemouth flounder at Clermont Harbor night. . . the tide was sufficiently low, but the wind too chilly to venture out and discover if he (or she) was having any luck. . . Jane, Brewster, Bootsie and the six little Molleres visited the Lewis Gruntzes Sunday and Tried their luck on their first crawfishing exploit. . . they caught 5 or 6 dozen, promptly boiled and ate same. . . but discovered that crawfishing isn't exactly the neatest of sports. . . to quote Jane, a "goupy" time was had by all who tracked down the mud-bugs.

Item 2: If Brewster Mollere offers for your inspection one very expensive appearing jewelry box - take warning and don't open it. . . it contains a small snake, not real, but so wiggy, snakey and convincing that the reptile has already wreaked havoc with half of the nervous systems on the main drag. . . the cook at Haverly's required spirits of ammonia after viewing the contents of the box, Josie Schwartz scream could be heard for miles and Gladys Noonan almost succeeded in reaching the ceiling of the P.O. in one leap. . . your reporter was prepared to report Brewster to the S.P.C.A. for having no visible air holes for his pet. . . it's that realistic!

Carrie Mae Hardy Wins Teen Central Style Show

Carrie Mae Hardy, junior at North Central School, won the grand prize in the teen style show presented last week by the 70 students in home economics classes of Mrs. Corbin Favre. She wore an orange and grey Chanel-type suit.

Other first place winners were Vernita Ladner, senior, who modeled a lilac full-skirted dress with a black belt; Betty Stewart, sophomore, in a black wool dress; Lynn Reynolds, freshman, in a silk blue and green dress; and Edna Moran, 8th grade, in a lavender cotton play suit with a full skirt and sleeveless cropped top edged in white.

Honorable mention went to the following seniors: Vernita Ladner, Gaynell Ory, Bonnie Sue Peterson, Eva Lee Spiers, Brenda Shaw, juniors: Janell Ladner, Linda Bates sophomores: Carolyn Garrige, Ann Wickrom, Nelda Gay Necaise freshmen: Romona Hoda, Cheryl (Missy) Cusvas, Teda Ladner 8th grade: Paula Hartel, Joyce Smith, Matilda Ladner, Carolyn Moore, senior wore a lavender print made by a former student, Mrs. Pouncy.

Wanda Nell Lee, senior, was mistress of ceremonies. Mrs. Favre, in a wool suit made by freshman seamstress, Romona Hoda, awarded prizes to the winners and made a special award to Gaynell Ory who has made nine suits since the beginning of the current school year.

Judges were Bruce Brooks, Mrs. J.C. Harrell, and Mrs. G.S. Kennedy.

A special feature was the first performance of the school band which was formed in February. Owen Williams, director and instructor, led the 26 members in two well-played selections.

As the last six weeks of school begins, students have so many activities confronting them that almost no one will have spare time on his or her hands.

Bay High students will celebrate National Future Homemakers of America week as members of the club will furnish flower arrangements for all of the school rooms and on one day the girls will wear dresses that they have made in home ec class to school. Career day is scheduled on April 14, band concert on April 18, juniors are already planning decorations and refreshments for the junior-senior prom on April 21, the school festival will be held on May 2, a piano recital on May 8, and graduation is set for May 19.

A spring festival combined with a rodeo is to be presented at Christ Episcopal school on Saturday, April 29.

A dance was held at SJA last Saturday night, their field day and gym night will be held April 15.

Stonislav defeated Bay Hi 5-4 in a practice game last week. Carriere was victorious over the same team 13-3 in another practice game, last Friday. Jimmy Mayfield and Rommie Peterson of Waveland are on the Bay High team. . . Buddie Wilson plays for Stonislav.

Congratulations to Linda Mazarakis of SJA and Kathleen Schaeffer of Bay High who will attend the Girls' State in Jackson in June. They were selected by the American Legion auxiliary who sponsor the trip. Alternates are Virginia Thomas, SJA and Ann Clark, Bay High.

Mary Henderson, a former student of Waveland School, who attends Millis College will become the bride of James W. Henderson of Clarksville on June 3, at Christ Episcopal Church.

Happy birthday wishes to Roy Walters who was honored at a surprise party given by Elaine Davis on April 5, to Barbara Monti, who also had a surprise party on April 7, and to Joanne Chapman who was 15 on April 5. Some of the guests at the parties include Jay Lagasse, Carol and Mark Bejon (Mark also celebrated early this month) Paul O'Donnell and J. D. Bourgeois.

Kenny Deville is now sporting a very impressive looking pipe. The fair sponsored by the Clernont-Lakeshore Youth Center on Saturday drew many out of town guests — Judy Bus of New Orleans was the guest of her cousin Rommie Stiemle and his parents. Ronnie escorted Margie Lafant to the fair. Linda Herbig, Janet Kreiger, twins Joy and Jill Gatti and Judy Wilday all of New Orleans were in attendance. . . Local girls and boys seen eating barbecue, drinking soft drinks and enjoying the many games were Betty Smith, Ann Proctor, Maria Peterson, Peggy Garcia, Claudia Klein, Joy Peterson, Cheryl Ming, Diana Ladner, Johnny Bordages, Herbie and Wayne Peterson, Billy Smith, Bubbie Usher, Billy McConnell and Robert Peterson.

The crowd of girls and boys seen enjoying the Robert's pier were guests of Mr. and Mrs. Kearney Robert who entertained a group of their son's fraternity brothers and their dates at a weekend houseparty.

Get well wishes go to Jimmy Sabella. While attending the State CYC Conference in Biloxi last weekend he was stricken with a suspected appendicitis attack and hospitalized.

Potluck Supper Set

Gulfview School Parent-Teacher Assn. will hold a potluck supper in the school at 7 p.m. today. Paul Lamphere, principal, said those attending are to take their favorite dish.

Coins and Currency Topic For New Library Series

Coins and Currency will be the subject of the first illustrated lecture in a series to be presented during the coming months by C. Michel Dolseu, cultural advisor of the City-County Memorial Library.

The first will be Saturday, April 29, at 2:30 p.m. at the library. Students who have indicated their desire to attend will be notified of the time.

Dolseu plans to discuss informally the origin of the monetary system dating from barter days up to the present time.

The accompanying exhibit will include an ancient Egyptian coin owned by Mrs. Frank Wilson, librarian, authenticated by the Museum of Natural History as having been used after the pyramids were built (about 4750-3000 B.C.) and before the time of Christ. The interesting piece

is made of some sort of animal skeleton deposit similar to coral in appearance.

Another interesting one, loaned by Mrs. H.A. Oxenham, is an English showing Queen Victoria on one side and a number of her descendants on the reverse.

Mrs. Wilson Wittenberger's contribution is a Spanish "piece of eight", familiar to youngsters as the coin used so by pirates.

The exhibit, Mrs. Wilson noted, will be open to the public all of next week.

Several weeks ago, forms were sent to schools here from seventh grade up with a number of subjects of interest listed. Students were asked to indicate preferences in subject matter and to state reasons for interest. Subjects and students have been selected from these completed forms with groups limited to 15 students.

Tigers Open Circuit Play After 2 Losses

Bay High was scheduled to open its Gulf Coast Conference baseball season today at Ocean Springs short one regular player, third baseman Paul Miller, who will be forced to sit out the season in the dugout with a badly sprained ankle. Coach Lance Lumpkin said. Holding down the hot corner will be Hammy Morel.

Although dropping two non-conference games, one to Piquette Monday 11-3 and one to Carrier Friday 14-3, Lumpkin believes his team will post a good record for the season in conference play. "The boys were handicapped because of lack of practice," he said. "Rain washed out most practice games and we had to get in football practice."

Lineup for the Ocean Springs game was Ronnie Peterson pitching and Leroy Luke catching; Lester LaFrance 1b, Dick Watts 2b, Bernie Benigno ss, Hammy Morel 3b, Frank Miller lf, Corey Schindler cf, Theodore Thomas rf. Other outfielders are Mike Lee, Charlie Breland, Don Saucier and Alvin Ladner.

Seniors, juniors and sophomores saw the movie, Macbeth, last Friday.

A sodality dance took place Saturday in the gym.

To discuss with parents the academic standing of their daughters, the faculty will meet with Delph Heads Retail Membership Drive.

O. W. Delph of Bay St. Louis will head the Mississippi Retail Merchants Association membership drive in Hancock County during the weeks of April 17 through 29, according to Bill Featherstone of Greenville, state membership chairman.

"It is our policy to select retail leaders who are both progressive and civic-minded for this vital job," Featherstone said. Purpose of the membership drive is to enlist support and unite retailers behind the association's program designed for better living for the people of Mississippi through improved service from its foremost industry: retailing.

Cedar Point 4-H Club Given Medals

Awards for County Attainment Day were presented by Mrs. Marie Hughes, home demonstration agent, when the Cedar Point 4-H Club met Tuesday afternoon at the home of the president, Kathleen Schaeffer.

Receiving medals from 1959 and 1960 were Kathleen Schaeffer for leadership, bread and home economics; Yvonne Kimmel for electricity and health, and Linda Merritt for home improvement.

The president conducted the meeting and served refreshments afterwards.

ANSWER: The electricity that serves you in your home. The more of it you use, the bigger the bargain... the less you pay per kilowatt-hour for it.

Think how many new uses you have for electricity these days... from your TV to your work-saving appliances for cleaning and washing. This is why your over-all bill may be a little higher than in the old days.

But what else in your home can give you so much value for so little cost?

IMPORTANT TO MISSISSIPPI

Columbus was an important stronghold and arsenal of the Confederacy. This historic monument at the old Court House, is a reminder of the many battlegrounds in northeast Mississippi and the valiant service of Mississippians.

Choice of early leaders

Jefferson, Franklin and other leaders encouraged the enjoyment of beer as the moderate beverage. A recipe for beer, written in Washington's own hand, is preserved today at Mount Vernon.

Legally-regulated beer is important today to Mississippi. Its \$4 million a year in state taxes help support Old Age pensions and other necessary functions of local and state government. The industry employs over 16,000 Mississippians, and has an investment of \$28 million in the state for buildings, trucks and other equipment.
